Summer 2026

Hi Mt Hood Campers!

On the backside of this letter is an order form to purchase a video copy on a **USB Flash-Drive** of your skiing or snowboarding training runs that were video-recorded during your stay at ***Mt Hood Summer Ski Camps***. You can use your training video to help you prepare for the upcoming season. Video is an essential tool that has helped all top athletes achieve success. And you freeride snowboarders and mogul/freeskiers can re-live all those great jumps, boxes, and rails!

Your video will include the footage of the entire group you trained with for the session, not just video clips of you.

I will prepare your USB Flash-Drive and send it via first class mail, within 72 hours of my receiving your order form. Be sure to indicate which session(s) you attended and which coach you had for each session. Orders cannot be processed without this information.

Enjoy the rest of your summer!
